

FreezaReady®

takeaway & storage containers

Castaway® FreezaReady® containers are made with a specially formulated, crack-resistant polypropylene material that allows you to put them in the freezer without it becoming brittle.

The containers are designed for easy stacking and labelling, making them ideal for creating individual portions of food such as pastas, rice dishes, stews and more.

Designed for freezing and re-heating without it becoming brittle

Microwave safe and freezer safe

Tapered design for easy stacking and labelling

Secure SnapOn™ lid closure prevents leaks and spills

Made from recyclable, food-grade, BPA-free polypropylene
