

DIMPLE® Textured Cups

The texture of the Castaway® Dimple® cup provides a unique look and tactile feel that is a pleasure to hold. Recyclable, made from sustainably sourced paper, and utilising biodegradable* Eco-Smart® lids, Dimple® cups also have your sustainability goals covered.

Recyclable

Sustainably sourced paper

Printed with water based inks

Lids with Eco-Smart® biodegrading* technology

Australian made in HACCP certified facilities

Brand Builders® custom printing available

*Eco-Smart® polystyrene lids, plates, bowls and cutlery have been shown to biodegrade 30.2% after 2.13 years, under conditions that simulate a wetter biologically active landfill, using the ASTM D5511 standard test. Note that a stated rate of degradation does not mean the product will continue to decompose. Testing continues on all Eco-Smart® products to track the rate of biodegradation. All data will be made available on our website: www.castawayfoodpackaging.com.au
