

Greaseproof Lined Paper Bags

Greaseproof lined paper bags are impermeable to oil and grease, making them the ideal choice for takeaway food, such as burgers, chips, sausage rolls, pies and more. The greaseproof lining allows the food to breathe, steaming off excess moisture to keep food fresh.

Extra resistance to grease and oil

Paper sourced from sustainable, managed plantations

Use for hot food

Build your brand by custom printing these products!

Recyclable

Australian made in HACCP certified facilities

**NEW
'HOT FOOD 2 GO'
DESIGN!**
