

MICROREADY®

takeaway containers

Castaway® MicroReady® takeaway containers have been designed with strength, durability and presentation in mind, and are ideal for serving both hot and cold food products.

Economical and versatile, these reheatable containers are available in a wide range of sizes.

Recyclable polypropylene

Secure, leak resistant lids

High clarity for superior presentation

Strong, durable, and crack-resistant

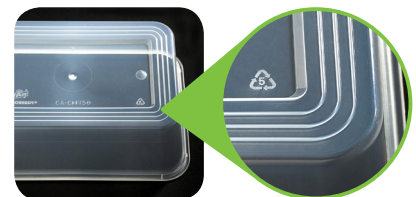

Microwavable

All containers are now branded and coded on the base for easy identification and re-ordering

Rectangular containers feature a ribbed base for extra strength
