**INNOVATION, QUALITY, RELIABILITY**

MPM Marketing Services has been promoting quality disposable foodservice products for over 35 years. We are now Australia's only full service manufacturer and distributor in the disposable food packaging industry.

Our knowledge and experience with foodservice products and packaging is unparalleled. MPM Marketing Services manufactures and promotes over 2000 products across Australia and New Zealand, with over 50% of our range manufactured locally.

We value the benefits that local manufacturing brings to our customers: innovative products, ability to manufacture within short lead times, timely delivery and the best in industry for disposable foodservice products.

**LEADING BRANDS**

THE INNOVATIVE DIFFERENCE®

SAVING YOU ON COST,  
NOT QUALITY

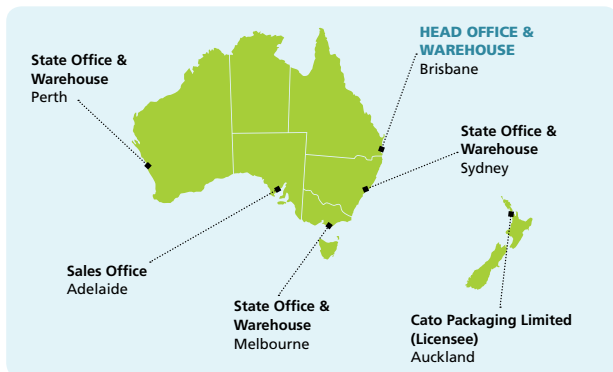

FIRST IN EXCELLENCE FOR  
QUALITY JANITORIAL PRODUCTS

**UNMATCHED DISTRIBUTION**

We have an extensive distribution network throughout Australia and New Zealand that allows your business to take advantage of the shortest lead times possible. Each MPM warehouse carries our full range of products, meaning that deliveries are faster and any product can be ordered locally.

**HACCP ACCREDITED AND QUALITY GUARANTEED**

All MPM warehouses and manufacturing facilities are level one HACCP accredited. MPM suppliers are required to meet ISO9000 standards or equivalent criteria. This helps to ensure that any external supplier to MPM has the same commitment as we do to food packaging safety and hygiene.

**MANUFACTURING FACILITIES**

**CASTAWAY® PAPER PRODUCTS COMPANY**

Located in Sydney, CPCC produces over 100 different packaging products exclusively for MPM Marketing Services.

**PRINTING**

Our state-of-the-art 8-colour 560mm multi-substrate flexo web press is the largest and newest machine of it's kind in Australia. It comes with auto unwind and rewind as well as die cutting capability. Reaching web speeds of up to 200m/min this machine is second-to-none and allows MPM to offer what others can't: the ability to provide custom designed and printed products within the shortest lead times.

**HOT CUPS**

We have a number of high and medium-speed hot cup production lines that produce 8oz, 12oz, and 16oz cups in single and double wall, together with our 4oz single wall espresso cup. Our in-house printing capability enables prompt turnaround of any custom design prints.

**NAPKINS**

The Sydney facility has several state-of-the-art, fully automated napkin converting machines. These machines are capable of printing up to 4 colours, allowing a great deal of flexibility with custom design prints.

**FOOD CARTONS**

Three carton folding machines produce our food cartons and trays, including fan-fold leak-proof options. We also have a large-format flat-bed die cutter and folder gluers to complete the process.

**ALTERNATIVE BAG COMPANY**

Located in Brisbane, the Alternative Bag Company manufactures MPM's extensive range of paper bags, wraps and folding cartons. With a large range of paper substrates, sizes and types on offer, including flat, satchel and SOS, ABC has been a true innovator in the way disposable food packaging is produced.

The Alternative Bag Company is equipped with bag machines, SOS bag machines and a waxer sheeter to produce an extensive range of paper products. Machinery producing our folding cartons includes a printing press, die cutters and folder gluers.

**CASTAWAY® FOIL COMPANY**

The Castaway® Foil Company produces rolled benchtop products exclusively for MPM. This facility rewinds and packages aluminium foil, greaseproof and baking paper.

## Build your Brand with Custom Prints

MPM Marketing Services has the ability to create custom designed and printed products over a wide range of materials. Our in-house design and print experts offer customers the flexibility to create and customise products, while our local manufacturing facilities and strategic partners ensure consistent and timely production.
