# Portion Control

## smart little servings<sup>®</sup>

Castaway<sup>®</sup> Portion control containers provide the perfect portioning solution for both dine-in and takeaway applications.

Made from durable, crack-resistant polypropylene, these containers can be used for hot foods, cold foods or condiments.

### Snap-On<sup>®</sup> lid closure to prevent spills

The audible 'snap' closure ensures that the lid is fitted securely to the cup, so you and your customers don't have to worry about leaks or spills.

### Complement dine-in meals

Portion control containers can be used to serve small side dishes for dine-in customers. They are also ideal for salad dressings and portions of butter offering quick and convenient disposal to keep dining areas clean.

### Sample your product to generate sales

Portion control containers are great for product sampling and tasting in retail environments or during promotional events.

Suitable for hot or cold food applications

Wide range of sizes available for food and beverage items

Snap-On<sup>®</sup> leak resistant lids to prevent spills

Made from recyclable polypropylene

Strong, durable and crack-resistant

Lids made from recyclable P.E.T.
