New Colpac[®] food packaging range

Take your food presentation to the next level

MPM Marketing Services is Australia and New Zealand's premier wholesaler and distributor of Colpac food packaging products. The Colpac range offers new and creative ways to present your food creations with various window packs and natural kraft appearances. All products are manufactured in ISO 9001 certified facilities and are made from sustainably sourced paper with both FSC and PEFC certifications. Browse through this brochure to see how you can take your food presentation to the next level!

Brand Builders[®]

Build your brand with custom prints! Colpac products can be custom printed with your own unique design. Our in-house graphics and design team specialise in bringing your products to life with individual designs for your brand. Contact us to learn more or visit our website: castawayfoodpackaging.com.au

Café Collection

Brown kraft food packs have a natural appearance, and feature clear windows to entice customers to try your creations. They are ideal for cafés and convenience stores wanting an easy *grab 'n' go* solution for their takeaway food menu.
